# Welcome to our Australian and New Zealand Wine Tasting.

We're delighted to be back in Stockholm running trade and consumer tastings. This is the first time that Wine Australia and New Zealand Winegrowers have teamed up in the Nordics, and the first time that we've run tastings in Sweden since before the pandemic.

The Aussies and Kiwis are good mates, with lots in common. Fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

At today's tasting, we're showcasing more than 450 wines from 120 producers, ranging from international superstars to small boutique newbies. Explore wines from 42 regions across Australia and New Zealand, and try 39 different grape varieties.

We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers. Discover 180 exciting new wines from wineries looking for distribution in Sweden.

If we can help to answer questions, educate or inspire you, please don't hesitate to ask one of the Wine Australia or New Zealand Winegrowers team or drop us a line on [europa@wineaustralia.com](mailto:europa@wineaustralia.com) or [sarahs@nzwine.com](mailto:sarahs@nzwine.com).

Don't forget to share your discoveries with us and your fellow tasters. You can join the online conversation with the hashtags [#aussiewine](#) [#nzwine](#).

We hope you enjoy the tasting and look forward to hearing your feedback.

@corrytonburge

Welcome to Corryton Burge, a family winery rooted in the history of Barossa Valley, Australia. Our legacy stretches back six generations to the early settlers of the region, John and Eliza Burge, who arrived from England in 1855. Since then, our family has dedicated itself to crafting exceptional wines that have become synonymous with excellence in the Australian wine industry.

Our journey began with the production of fortified wines, sold door-to-door with a hawker's license. Over time, we have grown and nurtured vineyards across South Australia, cultivating over 300 hectares of land to create some of Barossa's most prestigious and celebrated premium wines. Each generation has lovingly passed down the heart and soul of our craft, and today, Trent and Amelia Burge carry forward this tradition with a passion for winemaking that spans over 150 years.

We are Adrian and Rebecca Santolin. A couple of young, driven, lo-fi winemakers based in the Yarra Valley, Australia. Our ethos is to keep it simple. We intervene minimally in the winery. Our primary aim to retain as much flavour from the grapes as possible. You should be able to taste the site, region and unique varietal characteristics in every bottle. Since going out on our own in 2012 we've been fortunate enough to earn praise from some of the world's most influential wine critics and score a few trophies along the way.

Here we are obsessively dedicated to the production of exceptional Pinot Noir, in fact it’s all we grow. Divine started in 1999. The vision, which we still adhere to, was that wines should reflect the place they come from and that we want to work with producers who care about both the environment and quality. We like to talk to those who make the wines themselves, the ones who have their hands in the soil. Preferably organic, biodynamic and natural. Our idea of what constitutes high quality wine can be summed up in character, personality and individuality. Passion and vision are the important things. This is what makes life exciting, to always be open to new, committed, passionate growers who want to do that extra, that makes your taste buds dance with happiness. We are keen to find out how our producers deal with nature and the environment, regardless of whether they are certified or not.

Neal and Judy have been viticulture pioneers in Marlborough since 1978. The grapes from their vineyard were originally supplied to local wine companies, however they wanted to showcase the quality they had achieved in their vineyards through to the finished wine as well. This desire is what led to the establishment of Saint Clair Family Estate in 1994. Neal combines his extensive viticultural expertise, the unique mix of Marlborough's climate and soils, and the talent of one of New Zealand's leading winemaking teams to achieve this mission.

Delta Estate focuses on hand crafting wines that are expressive and true to their vineyard roots. Understanding that different grape varieties perform best in different soil types and microclimates, the Delta Estate philosophy is to produce wines that give a real expression of the terroir on which they are grown.

Hunter's Wines var en av de första små familjeägda vingårdarna i Marlborough. Ernie Hunter grundlade sin första vingård 1979 och var då en av de första att plantera sauvignon blanc i området. De är numera en av Marlboroughs mest hyllade vingårdar vid nationella och internationella vintävlingar. Idag odlar Hunter's en mängd olika druvsorter och producerar ett brett spektrum av viner; från de unga, fruktiga vinerna som avses att drickas unga, till de mer komplexa, lagringsbara vinerna som kan utvecklas fantastiskt med tid i källaren.

Med Tasmaniens svala sluttningar som utgångspunkt. Vi välkomnar Small Wonder, ett ungt vineri på Tasmanien, och viner på klassiska druvor i snygg förpackning. Här är det vinodling i ett svalare klimat som gäller. Small Wonder står för så kallade "cool climate wines", som ligger helt rätt i tiden, och specialiserar sig på chardonnay, pinot noir och aromatiskt vitt, vintyper som passar platsen perfekt. Det var just de svala möjligheterna som lockade gänget bakom Small Wonder till Tasmanien – och så förstås den fängslande, vackra Tamar Valley. Sedan 2022 är vingården ekologiskt certifierad enligt ACO, Australian certified organic.

Vingården Swell Season etablerades 2018 i Margaret River och är granne med Wayfinder som producerar vinerna. Vingården omfattar 40 ha, jordmånen består mestadels av grus och lera. Gården är poly kultur som innebär blandodling så här samsas bisamhällen, höns, vin och grönsaker – allt för att öka den biologiska mångfalden i vingården. I dagsläget producerar man vin av Chardonnay, Riesling, Sauvignon Blanc, Cabernet Sauvignon och Syrah. Sedan 2022 är gården ekologiskt certifierad enligt ACO, Australian certified organic.

Named after New Zealand's prolific bedrock, Greywacke (pron. Greywacky) is the label of the Judd family. Working with renowned vineyard sites within Marlborough's central Wairau and Southern Valleys, the Greywacke team use low-intervention winemaking to create wines distinguished by their personality, individuality and elegance. The Greywacke range is primarily based on sauvignon blanc and pinot noir, the sauvignon blanc being produced in two distinctly different styles. In addition, there are limited releases of chardonnay, pinot gris, riesling and a botrytised pinot gris. Alongside winemaking, Kevin has a recognised passion for photography and his signature vineyard photographs epitomise the distinctive character of the Greywacke range.

Shaw + Smith was established in 1989 by Michael Hill Smith MW and Martin Shaw in the Adelaide Hills. They focus on varieties that suit the cooler Hills climate: Sauvignon Blanc, Riesling, Chardonnay, Pinot Noir and Shiraz. Shaw + Smith own three vineyards, in Lenswood, Piccadilly and Balhannah. Growing the best possible grapes, managing vineyards sustainably, and valuing vine health, soil health, and low yields are central to the Shaw + Smith approach. In the pursuit of quality, the wines are fermented, aged and bottled on site at Balhannah. The wines are vibrant, modern expressions of their varieties, their sites, and the season. In addition to Shaw + Smith, the team are also responsible for the famous Tolpuddle Vineyard wines from Tasmania and an exciting new “old vine” project at MMAD Vineyard in Blewitt Springs.

The Glaetzer family has been part of the Barossa Valley and its viticulture history since 1888. After 30 years of winemaking, Colin Glaetzer established the family winery to create limited quantities of super premium Barossa Valley red wines. Today Colin's son Ben makes unique and elegant wines which are regarded as classics and unmistakably Barossan. All fruit for Glaetzer Wines is taken from a small sub district of the Northern Barossa Valley called Ebenezer which produces exceptional fruit from very old vines.

Ben Glaetzer makes quintessentially Australian wine. Heartland grows and selects grapes with the most flavour per acre through careful vineyard management and years of collective expertise. The cool-climate growing region of Langhorne Creek offers unique flavour and texture that could only be Australian, from vines planted with a view of the gum trees. This is our promise to produce wines that remain true to the recognized Australian style, while ensuring a balanced structure and appealing texture.

Established in 1979, Paxton Wines stands as a pioneering force in the McLaren Vale wine scene. Embracing organic and biodynamic practices, we fuse tradition and innovation into our craft. Sourced exclusively from our estate vineyards, our wines carry the legacy of a family-owned venture. Founder David Paxton, a revered viticulturalist, blends decades of experience with modern technology, embodying our “back to the future” philosophy. Our approach symbolises the harmony between traditional, hands-on management and contemporary techniques.

Bridging tradition and innovation, we’re a contemporary Coonawarra label rooted in family heritage. Led by sisters Ang and Bec since 2015, we’ve revitalized Penley into a thriving venture, crafting delectable wines for every moment. Nestled on the Limestone Coast near South Australia’s border, our Coonawarra estate yields wines reflecting classic cassis and blackberry flavors. Guided by Kate Goodman’s expertise, we marry traditional viticulture with modern finesse, epitomizing the spirit of new-age Coonawarra varieties.

Gemtree Wines. Biodynamic wines grounded in earth. At Gemtree our family vineyards are planted in a unique patch of the earth within South Australia's McLaren Vale. By respecting and nurturing this land we harvest high quality, flavourful grapes each and every vintage from vineyards farmed with care. Our organic and biodynamic credentials have roots as deep as our decades-old vines because we firmly believe it is our responsibility to improve the land for future generations. Villa Maria's 60 year journey at the forefront of New Zealand's wine industry has shaped the company as it stands today. Our extensive portfolio is one the most geographically and stylistically diverse and highly-awarded range of premium wines by any New Zealand producer, fuelling consumer adoration and success across the globe. Throughout the 1960s Villa Maria was a one-man band. In 1961, at just 21 years of age, Sir George Fistonich leased five acres of land from his father in Auckland and started off with just an acre of vines. The first wine under the name Villa Maria in 1962 was made with grapes harvested from this block. Today, Villa Maria is a globally recognised and adored for its bold, expressive and exceptional New Zealand wines.
