SWNZ CONTACT PERSON - Responsible for all SWNZ submissions and information (e.g., Grapelink, WiSE)

Name	Title/Position
Mobile	Email
Landline	

SWNZ ACCOUNTS PERSON - Responsible for payment of SWNZ fees (if different than SWNZ contact person above)

Name	Title/Position
Mobile	Email
Landline	

ADDITIONAL NOTES/DEFINITIONS:

- **SWNZ Membership** is based on an individual vineyard. Two vineyards separated from each other but with a common owner, or continuous (i.e., share a common boundary) but with different owners, will be regarded as separate vineyards for the purposes of membership to SWNZ, and will each incur separate membership fees.
- A **LEASE** is defined as an exclusive right to possession of the land and the buildings on it for a specific period of time according to the terms of the lease. These terms should be documented in a lease agreement.
- For those using grapes for their own wine, a **WINERY** means a person whose business is or includes producing and selling grape wine or grape wine products, or selling grape wine or grape wine products that have been produced on that person's behalf [Wine (Grape Wine Levy) Order, 2016]

Please contact Hannah Stanton-Kerr at hannah@nzwine.com for any NZW Membership queries (including grape/wine levies). For SWNZ-related queries, please contact the SWNZ Membership Support team at membership@swnz.org.nz.

Feel free to add any additional comments/information below:

BIOSECURITY VINEYARD REGISTER

Please complete the section below if this is a new vineyard development. Maintaining an accurate record of vineyard location, varieties planted and planting density helps NZW communicate effectively with members who may be threatened by the incursion of a new biosecurity threat.

Please contact Jim Herdman at jim.herdman@nzwine.com if you have any Biosecurity Vineyard Register queries.

Does this vineyard have a Biosecurity Plan?* YES NO

A Biosecurity Plan template can be found [here](#)

Is this vineyard certified organic or in conversion? YES NO

Hectares Certified Organic _____ Ha

Hectares Registered In Conversion To Organic _____ Ha

Grape Variety 1
