Welcome to
NEW ZEALAND NEW RELEASE
LONDON 2026

This catalogue brings together new vintages and a broad selection of releases from across New Zealand, offering an opportunity to explore familiar names, discover different styles and identify new additions for the UK market.

Marlborough Sauvignon Blanc features prominently, with regional, single-vineyard and individual-block bottlings providing scope for comparison alongside barrel-fermented expressions. The selection reaches well beyond Sauvignon Blanc, encompassing Chardonnay, Riesling, Pinot Gris, Gewürztraminer, Albariño and Pinot Blanc, as well as sparkling wines, alcohol-removed releases and lighter-alcohol options.

Regional discovery is central to the line-up. Wines from Gisborne, Hawke's Bay and Wairarapa sit alongside those from Marlborough, Nelson, North Canterbury, Waitaki Valley and Central Otago. An extensive Pinot Noir selection invites exploration across regions, vineyards and vintages, while Syrah and Cabernet- and Merlot-based blends add further breadth to the reds.

Alongside wines with established UK representation, the catalogue highlights releases seeking distribution, with contact details to support further enquiries. Use the listings to compare vintages, regions and price points, revisit familiar producers and make new connections. We look forward to sharing this selection with you in London.

All wines presented today are produced in accordance with one of our recognised sustainability programmes, please scan QR code for details.
